14. FORCE MAJEURE; OTHER CHANGES IN CONDITIONS

In the event of and as soon as possible after the occurrence of any cause constituting force majeure, the Contractor shall give notice and full particulars in writing to the IWRM-K, of such occurrence or change if the Contractor is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under this Contract. The Contractor shall also notify the IWRM-K of any other changes in conditions or the occurrence of any event that interferes or threatens to interfere with its performance of this Contract. On receipt of the notice required under this Article, the IWRM-K shall take such action as, in its sole discretion; it considers to be

appropriate or necessary in the circumstances, including the granting to the Contractor of a reasonable extension of time in which to perform its obligations under this Contract.

If the Contractor is rendered permanently unable, wholly, or in part, by reason of force majeure to perform its obligations and meet its responsibilities under this Contract, the IWRM-K shall have the right to suspend or terminate this Contract on the same terms and conditions as are provided for in Article 15, "Termination", except that the period of notice shall be seven (7) days instead of thirty (30) days.

Force majeure means acts of God, war (whether declared or not), invasion, revolution, insurrection, or other acts of a similar nature or force.

15. TERMINATION

Either party may terminate this Contract for cause, in whole or in part, upon thirty (30) days' notice, in writing, to the other party.

IWRM-K reserves the right to terminate without cause this Contract at any time upon 15 days prior written notice to the Contractor, in which case the IWRM-K shall reimburse the Contractor for all reasonable costs incurred by the Contractor prior to receipt of the notice of termination.

In the event of any termination by the IWRM-K no payment shall be due from the IWRM-K to the Contractor except for work and services satisfactorily performed in conformity with the express terms of this Contract.

Should the Contractor be adjudged bankrupt, or be liquidated or become insolvent, or should the Contractor make an assignment for the benefit of its creditors, or should a Receiver be appointed on account of the insolvency of the Contractor, the IWRM-K may, without prejudice to any other right or remedy it may have under the terms of these conditions, terminate this Contract forthwith. The Contractor shall immediately inform the IWRM-K of the occurrence of any of the above events.

16. SETTLEMENT OF DISPUTES

The parties shall use their best efforts to settle amicably any dispute, controversy, or claim arising out of this Contract or the breach, termination, or invalidity thereof. This Contract shall be construed and interpreted and the legal relations created hereby shall be determined in accordance with the laws of the Republic of Kosovo. The parties consent to the exclusive jurisdiction of, and agree that venue lies solely with, the state courts located in the Republic of Kosovo.

17. TAX EXEMPTION

IWRM-K is exempt from all direct taxes, except charges for public utility services, and is exempt from customs duties and charges of a similar nature in respect of articles imported or exported for its official use. In the event any governmental authority refuses to recognize the IWRM-K's exemption from such taxes, duties, or charges, the Contractor shall immediately consult with the IWRM-K to determine a mutually acceptable procedure.

Accordingly, the Contractor authorizes the IWRM-K to deduct from the Contractor's invoice any amount representing such taxes, duties, or charges, unless the Contractor has consulted with the IWRM-K before the payment thereof and the IWRM-K has, in each instance, specifically authorized the Contractor to pay such taxes, duties or charges under protest. In that event, the Contractor shall provide the IWRM-K with written evidence that payment of such taxes, duties, or charges has been made and appropriately authorized.

18. OBSERVANCE OF THE LAW:

The Contractor shall comply with all laws, ordinances, rules, and regulations bearing upon the performance of its obligations under the terms of this Contract.

19. AUTHORITY TO MODIFY:

Only the IWRM-K Authorized Official possesses the authority to agree on behalf of the IWRM-K to any modification of or change in this Contract, to a waiver of any of its provisions, or any additional contractual relationship of any kind with the Contractor. Accordingly, no modification or change in this Contract shall be valid and enforceable against the IWRM-K unless provided by an amendment to this Contract signed by the Contractor and jointly by the IWRM-K.
